

Expansions

Compatible expansions

Question:

Which expansion modules are compatible with MyChron5?

Answer:

- LCU-One CAN: tunes the engine carburetion.
www.aim-sportline.com/en/products/lcu-one/index.htm
- MyChronExpansion: channel multiplier. It DOES NOT support thermocouple sensors.
www.aim-sportline.com/en/products/mychron-expansion/index.htm
- SmartyCam HD: www.aim-sportline.com/en/products/smartycam-hd-rev2.1/index.htm
- IR Temp Controller: it controls each tyre temperature by using infrared rays.
